## **POLICE SUCCESS**

After the discovery of four Rhino carcasses since May 2015 till August 2015 a task team of seasoned detectives, spearheaded the Protected Resources Division were formed and worked relentlessly around the clock to solve those crimes. Their first break through came on late Sunday night 2015/08/23 when they ambushed the main poacher on the outskirts of Karibib on his return from the targeted farm . He was in the company of two individuals in a vehicle and they tried to dispose of their unlicensed hunting rifles. Detectives managed to recover that rifle and ammunition. These upgrading of security by Bkazers management as dehorning of their rhinos prevented the poachers to continue with their onslaught on these animals. On Tuesday the co- poacher of the four Rhinos was also arrested in Karibib . The buyer

of these horns who is a Tanzanian is also apprehended on Friday morning 2015/08/28 in Swakopmund. Another rifle positively identified as the one used in the poaching of the four Rhinos on the farm Sneyrivier (Blazer Safaris), were also confiscated in Windhoek on Saturday 29th. Two fire arms with one linked to killing of the rhinos is Confiscated.

One of the poachers already appeared in the Okahandja magistrate court on Tuesday 25th and for the poaching and another (driver of pick up vehicle) appeared in the Karibib Magistrate Court for possession of unlicensed arm and ammo and defeating the ends of Justice. The remaining two suspects will appear in Okahandja court on Monday 31st for poaching and dealing in Rhino horns. Detectives also confiscated electrical equipment and a vehicle from the Tanzanian national in Swakopmund as it is believed, to be bought from the proceeds generated from the sale those rhino horns.
